

REMARKS/ARGUMENTS

Reconsideration of this patent application is respectfully requested in view of the foregoing amendments and the following remarks. Claims 1-3 are in the application. Claims 1-2 are allowed. Claims 1-3 have been amended. No new matter has been added.

The specification was objected to because of informalities as stated in page 2 of the First Office Action. The specification has been amended to remove all references to claim numbers.

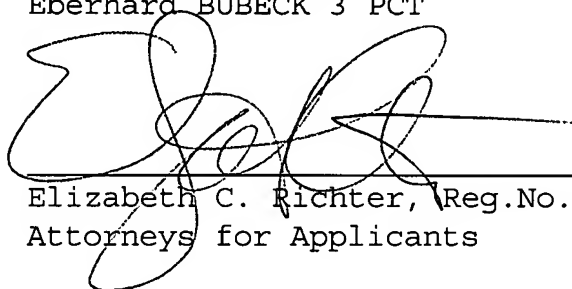

Claims 1-3 were objected to because of informalities as stated in page 2 of the First Office Action. The claims have been amended in accordance with the Examiner's suggestions. Claims 1-3 have been amended by removing the reference characters from the claims. Claim 3 has also been amended to replace "holder" with "turned groove."

Claim 3 was rejected under 35 U.S.C. § 112, second paragraph, for indefiniteness as stated in page 2 of the First Office Action. Claim 3 has been amended to incorporate some of the elements recited in allowable claim 1. It is respectfully submitted that amended claim 3 fully complies with 35 U.S.C. § 112, second

paragraph, and Applicant respectfully requests that the Examiner's rejection on this basis be withdrawn.

In view of the foregoing, it is respectfully requested that the claims be allowed and this case be passed to issue.

Respectfully submitted,
Eberhard BUBECK 3 PCT
